

10 Years of Struggling (11.7 MB) Download & Installation guide

Follow the steps below to successfully download and install the screensaver on your computer. Email us on info@4wardever.org if you have any problems.

Download

- a) Click this link to access our online folder: <http://www.box.net/shared/ujm17diat5>
- b) Select 'Download' to start

There are two possible download procedures your computer may present to you when you click on the download tab, these are:

*Boxes will appear giving options to (a) "Save File" or (b) "Run" + "Save"
In either case select the tab containing the word "Save"*

Choose a location to save the file (we recommend saving to your 'Desktop')

1. Click "Save File" or "Save" as explained above, to start download of file name **Ten Years of Struggling.2008.exe**

The 10 Years of Struggling is a large file as it contains music tracks and special effects – it may take up to 7 minutes to download – please be patient!

Install

2. Once download is complete you will see the file ('Ten_Years_of_Struggling.2008.exe') saved on your desktop. Double click this icon and a new box will appear click "Run" and / or;
3. In the next window choose a location to save the file (we recommend saving to 'C:\WINDOWS\' or C:\DRIVE\') then click "Install"
4. The screensaver should now be saved. Click finish

At this stage you may remove the downloaded installation and preview icons from your desktop if you wish.

To adjust screensaver settings

1. Click the "Start" tab on your desktop
2. Click "Control Panel"
3. Click "Display"
4. Click "Screensaver"
5. You will see our screensaver shown as 'Ten_Years_of_Struggling.2008.exe'
6. Click the "Settings" tab to change the default settings if you wish
