Your Support is needed to say
NO MORE DEATHS, COVER UPS & INJUSTICES

The Kingsley Burrell Campaign invites you to join us at his Inquest on Tuesday 7th April 2015 until Friday 15th May 2015 at 10am a six weeks hearing. The Inquest will reveal How did Kingsley die? 4 years since his untimely death.

The 29-year-old father of three died at Birmingham's Queen Elizabeth Hospital (QE) four days after dialling 999 for police help, saying he was being harassed by a gang while out walking in an Edgbaston street with his young son. He was detained under the Mental Health Act at the Mary Seacole mental health unit in Winson Green, before being transferred to the QE, where he died four days later.

Nine months ago the Crown Prosecution Service (CPS) ruled there was "insufficient evidence" to charge 12 people with Kingsley's death. They included four West Midlands Police officers, two West Midland Ambulance staff, three nurses and three doctors.

Kingsley's family, including his mother Janet Brown and his sisters Kadisha Brown-Burrell and Lorraine Sang said at last November's hearing they were still hopeful that the outcome of next month's inquest could yet lead to a criminal conviction, If a unlawful killing Verdict is reached by members of the jury.

The support of the local community is paramount WHY? because these injustices will continue to happen if we just stand by and watch at a distance, get involved now to say No Cover Ups #Black lives Matter, No Justice No Peace and enough is enough to police brutality here in the UK for Kingsleys death not to be in vain. There is alot of evil in this world but those who do nothing about it are just as evil. RIP Bro GBNF NJNP 2015; we aquire the truth and nothing but the truth so help us God! in our quest against injustice. Kadisha Brown-Burrell.
